[Review: Heathkit Explorer Jr. GR-150 TRF AM radio receiver kit](#)

The Explorer Jr. manual is very nicely done, spiral-bound, and very reminiscent of the old Heathkit manuals in terms of layout and detail.

[A stealthy HOA HamStick directional dipole](#)

This is a sneak peek at the project and I will follow up with a very detailed build, tune and operation on 20 and 40 meters bands using both Phone and digital PSK31.

[Retirement and Ham Radio](#)

What I have come to learn is that Monday is just as good a day as Saturday and weekend crowds are to be avoided. There are no crowds on Tuesdays.

Recent Ham attack

The weather station was taken down for test, and upon investigation, the source of the problem was quickly discovered to be a result of squirrel sabotage.

Video

The Russian Woodpecker documentary now online

An enormous secret Soviet weapon that stands in the shadow of Chernobyl, and which Kremlinologists in the 1980s thought might be a giant mind-control device.
